This will be the form you use to track the pages you have read.

Choose a book that is appropriate for your reading level.

Books should be challenging, yet enjoyable. A reading list and set of book recommendations is available, but feel free to explore other books as well. When you complete a book you may move right on to another.

Keep track of pages read.

At the end of each day's reading write down the number of pages read and the title of the book. At the end of the week, total the pages read, and compare them to the goal for your grade. Be sure to answer the question at the bottom of the page each week. Reading goals were selected by your teachers, and are as follows:

Entering 1st Grade—15 pages per week
Entering 2nd Grade—25 pages per week
Entering 3rd Grade—50 pages per week
Entering 4th Grade—75 pages per week
Entering 5th Grade—100 pages per week
Entering 6th Grade—125 pages per week
Entering 7th or 8th—150 pages per week

If students in the lower grades need help filling in the form, parents are more than welcome to lend a hand. Students should take as much responsibility for the process as possible.

Get your parents to sign your form.

When you record the number of pages read, get your parents to sign your form.

Send your form back to Mr. Sunderman

After the first six weeks, if you have met your reading goals, have your parents help you e-mail or mail the completed form back to Mr. Sunderman. This step is essential, as we need to know how many people will be attending the party. Forms need to be received by July 29th.

E-mail to: summerreading@comcast.net

Mail to: O.L.A. Summer Reading

E-mail Mr. Sunderman

I would love to hear about your progress. Let me know which books you have enjoyed the most. If you need a recommendation of a good book to read, let me know. I have created a special e-mail address for the summer. Please write to summerreading@comcast.net

Attend the party for your grade level

If you have met your reading goals and have returned the completed form, then all you have to do is show up. Both parties include dinner, dessert , games and a movie. Both parties will be held on the same night this year. Everyone will meet in St. John's Hall for games and contests. The upper will then have their dinner and movie in Seton Hall, while the lower grades have their party in St. John's Hall.
